SUMMARY

- (BE SURE TO REWRITE TO DESCRIBE YOURSELF AND IN YOUR OWN WORDS!)
I am always looking for opportunities to gain knowledge. I like a challenge and due to my competitive attitude, I always strive to be the best. My relaxed demeanor allows me to work well under pressure. When it comes to work, I am dedicated to the task put before and I will do whatever it takes to make sure it is completed in a timely fashion. I would like to work on anything that has to do with developing software.
